THE ULTIMATE RALLY IN THE VALLEY
MAY SEVENTEENTH AND EIGHTEENTH, TWENTY FOURTEEN

PVINVITE.ORG

The Oxbow: Formed by the historic course of the Connecticut River, and painted into American art history by Thomas Coles in 1839 today the Oxbow is an iconic feature of the Pioneer Valley. Thanks to the generosity of the Oxbow Marina, and the Northampton Soccer Club, we are thrilled to host our inaugural tournament in the shadow of Mount Tom and this incredible location.

About the Hosts: Northampton High School boys and girls, “Blue Devils Ultimate” program is thrilled to host the first annual Pioneer Valley Invitational in the shadow of the Mount Tom Range at the infamous Oxbow. A portion of any proceeds from this event will be donated to Ultimate Peace, a non-profit that builds bridges of understanding and friendship between youth who live in communities divided by conflict using Ultimate Frisbee as our tool. Funds will also support UltimateGood.org, a charitable organization that leverages the power of conscientious Ultimate Frisbee Players by enabling them to easily donate as part of their tournament registration fees. The remainder of any proceeds will support the growth of Ultimate at Northampton High School and in the Pioneer Valley.

We especially thank the players and parents of the BDU Ultimate Program for the countless hours of volunteer time spent to make this tournament a reality!

Josh's Welcome

Change is hard. Crazy is relative. Ultimate is unreal.

I lived in St. Johnsbury, VT for the past 11 years. In that time, I was so very lucky to work with a community that fully bought into the "Ultimate Life". The STJ Ultimate program exploded. I had 60 kids running around each spring, and 60 teams converging each May for the St. Johnsbury Academy Invitational. This last summer I moved to Easthampton, back home to the Pioneer Valley, and I knew I would miss my STJ Ultimate Life terribly. And I have. Change is hard.

My idea of a good time is to stand near the center of a maelstrom of 700 kids as they gleefully throw a plastic disc around a green field. I love to play a part in facilitating the madness of 117 games played across 15 fields -- hosting 19 teams in local houses, and feeding 500 at a Saturday night social. It's an absolute exercise in organized chaos, but one that some people find absolutely worthwhile -- People like Sheldon, Lee, Paul and Melinda. And me. Crazy is relative.

You can travel all over New England and you'll find Ultimate. You can travel all over the US and you'll find Ultimate. The same holds true for a large swath of the planet. Once you fully commit to the Ultimate Life, your community becomes global and at the same time so very small -- You'll travel thousands of miles and still always recognize someone at every Ultimate event. This is not because the Ultimate community itself is small in size -- it's because it's ridiculously well connected. Everyone know everyone. Everyone competes against everyone. Everyone supports everyone. Ultimate is unreal.

Welcome to the 1st annual Pioneer Valley Invitational, our beautiful combination of change, crazy, and unreal.

Play hard. Play fair. Play safe. Play with spirit. Play your best. Play in the moment.

Connect with people. Talk to as many as you can. Learn new names. Learn new stories.

Please make sure you say hi to me sometime this weekend. I would so very much like to meet you all!

I am so thrilled with what the Northampton High School Ultimate community has been able to create. I am honored to have played a part, and to have a new place to call my Ultimate home, the Pioneer Valley Invitational.

Captain's Meeting Notes

Introductions:

Tournament Director: Josh Seamon (802.748.9857)

Volunteer Director: Melinda Shaw (413.320.6771)

All teams

- Start and cap your games on time; others need to play after you
- If the TDs think there is danger from lightning, we will clear the fields. There will be no discussion. The word of the TD is final. 5 horn blasts signals that you must immediately clear the field. A second set of 5 horn blasts means that each team needs to send a representative to tournament central.
- Shower in the locker rooms at JFK, NOT at your host house.
- Important: clean up after yourselves when you move from field to field and at the end of the day.
- No cleats in any buildings please.
- Cursing or insults, including racial or gender slurs, will not be tolerated, either on or off the field.
- No disc spiking. At all. Ever.
- If you're not in the game you cannot make a call or tell someone in the game to make a call.
- We are not playing with soft caps.
- Do not go in the river

Rules and Tie Breakers

- We are using USA Ultimate's Rules of Ultimate, 11th edition
- All divisions will start with pool play. Championship bracket play will then follow in all divisions. In the case of tied win-loss records, we will use USA Ultimate Tie Breaker manual to determine placement.
(<http://pvinvite.org/faq/#breaker>)
- Copies of the rules are available at tournament central.

Game and Spirit Scores

- All games will be played to 15, win by 2. Hard point cap at 17. Note: Hard cap can mean some games will be played to less than 15 points. See below for details.
- Submit all game and spirit scores immediately after each round online at bit.ly/pvi2014-scores

Time Between Pulls, Halftime, and Time Outs

- The receiving team must be ready within 70 seconds after the previous goal. The pulling team must release 90 seconds after the previous goal, as per 11th edition rules. Everyone should be polite but firm.

- A five-minute halftime will be taken when the first team reaches 8 points.
- If neither team has reached the 8 points 30 minutes before the hard cap, a five-minute halftime will be taken at the end of the currently played point.
- Each team is allowed two timeouts per half. No timeouts can be taken after hard cap or after a score of 14-14 is reached.

Time Caps and Hard Cap

- Time Cap times are listed on the schedules. Time Cap times must be adhered to regardless of the starting of the game.
- A time Cap is declared after the current scoring attempt is completed. Scorekeepers and coaches must make sure that all teams and players are aware of the Time Cap.
- When a Hard Time Cap is declared (2 horn blasts) and the active point is finished, the game is over unless the score is tied, in which case a final point will be played.
- Immediately after a point is scored you are considered to be in the next point, even if the pull has not happened yet. (There is no time between points.) Half time is considered to be in the next scoring attempt.

Game play

- **All games are mandatory and MUST be played.** A team that fails to play a game will most likely not be invited to a future Pioneer Valley Invitational.

Trainers

- An athletic trainer or EMT will be stationed at Tournament Central all weekend
Gary Elson (413.374.4309, all tournament except Noon-3pm Sunday)
Riley Liptak (413.455.8978, Noon-3pm Sunday)

Team Boxes and Water

- Each team will get a large team box. Extra food will be available at Tournament Central.
- Extra water will be available at Tournament Central
- Please bring full water bottles each morning! Please!
- White bags are for recycling and black bags are for trash

Saturday Night Dinner/Dance/Trade Night

- The event will take place at the JFK Middle School (100 Bridge Road, Florence, MA)
5-8pm: Showers in the JFK lockers
6-8pm: Dinner on at JFK
6-10pm: Social Events, Bouncy Castles!
7-10pm: Dance

Ultimate in 10 Simple Rules

The Field: A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 25 yards deep.

Initiate Play: Each point begins with both teams lining up on the front of their respective end zone line. The defense throws ("pulls") the disc to the offense. A regulation game has seven players per team.

Scoring: Each time the offense completes a pass in the defense's end zone, the offense scores a point. Play is initiated after each score.

Movement of the Disc: The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc ("thrower") has ten seconds to throw the disc. The defender guarding the thrower ("marker") counts out the stall count.

Change of Possession: When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

Substitutions: Players not in the game may only replace players in the game after a score and during an injury timeout.

Non-contact: No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.

Fouls: When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.

Self-Officiating: Players are responsible for their own foul and line calls. Players resolve their own disputes.

Spirit of the Game: Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

Spirit of Coaching

Background: The role of the coach at all levels of Ultimate is unique in a sport that places on-field player authority above non-player influence. As non-players the coach's authority must not extend to the on-field officiating process. Coaches may be faced with situations where they are able to correct the self-officiating process and ensure the correct outcome to a given play. In this situation, coaches must not interfere in the officiating process, in order to ensure that players learn and take responsibility for officiating. Coach interference in the decision making process, even in the most egregious violations, will indicate to players that the coach and not the players have the ultimate responsibility for ensuring the inherent fairness of the game. Teaching players the rules and how to implement them should be done at practices or off of the field. It is the coach's responsibility to ensure that the players understand their own responsibilities as players and teach players how to handle those responsibilities.

Guidelines:

- Coaches should introduce themselves to the other coaches prior to a game and discuss concerns. This could potentially include the level of play, the level of intensity (e.g. spiking and rushing the field), and possible modifications to the captain's clause (e.g. prohibiting zone for new teams or footblocking).
- Because the potential for misperception is high, spiking is prohibited at the youth level unless otherwise agreed upon by the coaches or captains. Spiking in a disrespectful manner is never ok at any level.
- Coaches will not make calls from the sideline nor offer their opinion on a play. Coaches should encourage players to come to a resolution on their own, and if asked during a dispute coaches may offer rules clarifications. After a dispute a coach may talk to his or her own player about the dispute and offer opinions.
- Youth coaches will make an effort to educate parents about Spirit of the Game and work to create a sideline atmosphere that respects Spirit of the Game.
- Coaches will teach and give players opportunities to practice knowledge of the rules of Ultimate.
- Coaches will always exhibit respect for opposing players.
- Coaches will always exhibit respect for other coaches.
- Coaches will always exhibit respect for observer
- Coaches will model Spirit of the Game at all times
